Put the medication in the box and you are done!

ARCH along with the Tredyffrin and Easttown Police Departments are pleased to offer

Continual Safe Disposal of Prescription Drugs

Why Not Flush?

- Flushed medications can get into our lakes, rivers and streams.

70% of teens who abuse prescription drugs say they get them from family and friends.

- Prescription drugs can also be a tempting lure for children and teens who may have no idea what they are swallowing, or the serious danger posed by taking dangerous and expired medications.

Disposal Bin is located at the

Tredyffrin Township Building

1100 Duportail Road, Berwyn, PA
Monday-Friday 6:00 am to 10:00 pm

Easttown Township Building

566 Beaumont Rd, Devon, PA
Monday-Friday 8:00 am to 4:30 pm

These permanent disposal bins provide a safe, convenient, and responsible means of disposing of prescription drugs, while also educating the general public about the potential for abuse of medications.

ARCH is a 501(3)(c) coalition of parents, educators, and community members committed to promoting the well being of youth in Tredyffrin and Easttown Townships. We serve as a resource to families as they help their children form a positive self-image, make healthy choices, and reduce the use of alcohol, tobacco and other drugs (ATOD).
